We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the ethical requirement that are relevant to our audit of the Financial Statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with the requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the

Responsibilities or management and inose charged with dovernance to the Financial Statements and Internal Control Proprietor is responsible for the preparation of financial statements that give a true and fair view in accordance with relevant rules and regulations and other applicable laws and regulations and for such internal control as Proprietor determines is necessary to enable the preparation of Financial Statements that are free from material misstatement, whether due to fraud or error

In preparing the Financial Statements, Proprietor is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Proprietor either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether financial statements as a whole are free
from material misstatement, whether due to fread or error, and to issue an auditor's report that includes
our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit
conducted in accordance with ISAs will always detect a material misstatement when it exist hisstatements can arise from fraud or error and are considered material if, individually or in the
aggregate, they could reasonably be expected to influence the economic decisions of users taken on the
basis of these Financial Statements.

As part of an audit in accordance with ISAs, we have exercised professional judgment and maintained professional skepticism throughout the audit. We also have:

- Telentified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtained audit evidence that its sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- **Evaluated** the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Proprietor.
- Evaluate the overall presentation, structure and content of the Entity's financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identified during our audit.

### Report on Other Legal and Regulatory Requirements We also report the following:

- a) we have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
   b) in our opinion, proper books of account as required by law have been kept by the Entity so far as it appeared from our examination of those books; and
   c) The statement of financial position dealt with by the report are in agreement with the books of

- enditure incurred was for the purposes of the Entity's business.
